This world is a place full of wonderful things,
Of toys and of hopscotch and very high swings,
It's filled with a magic, like spring in the air,
Without any worries, without any cares.
A world full of happiness is all we can see,
And time is an element meaning nothing to me.
There's no need to hurry, to push or to shove,
Because in this world we're surrounded by love.

THE 1973 NEW HORIZONS

PRESENTED AS

THE SECOND ANNUAL YEARBOOK OF HANOVER AREA MEMORIAL HIGH SCHOOL

HANOVER TOWNSHIP, PENNSYLVANIA

FOREWORD

Now as our years of high school are rapidly coming to a close, we, the class of 1973, realize that we are on the threshold of a new life. We are standing at the pivot point in life where we can look back at our record at Hanover and take pride in our achievements—in academics, athletics, and in service to our community; we are also in that glorious stage of youth where we can learn from our past mistakes and strive to make the future what we desire. These past years Hanover has offered us knowledge and leadership to guide us in our future aspirations and ideals. After we leave Hanover our application of this knowledge will determine the height of success we will attain.

Years from today this book will remain to tell the story of the Class of 1973—with all its joys, sorrows, and hopes for the future. To a stranger this book may seem to be only a haphazard selection of pictures. But to a student, a teacher, an alumnus, and especially to a member of the class of 1973 this book is much more. These pictures represent a pattern of life and reflect many different moods and memories.

This is Hanover Area.

DEDICATION

MELVIN K. O'CONNELL

In memoriam to a man of distinction and a man of leadership, Melvin K. O'Connell. He was both well liked and deeply respected throughout his career.

Melvin O'Connell began his professional career as a teacher in the Ashley Schools — 1936, was promoted to high school principal of the Ashley-Sugar Notch High School — 1961 to 1968, accepted the office of Supervising Principal of the Ashley-Sugar Notch Joint System — 1968, and finally reached the peak of his career by accepting an appointment of Superintendent of the newly formed Hanover Area School District — 1971.

Although we have suffered an irreparable loss, Melvin O'Connell will always be remembered for his numerous accomplishments in the School District, and will hold a place in the hearts of everyone connected with him. May he rest in peace.

CARL A. HANKEY

We proudly dedicate this page to a man who well deserves it, Hanover's own Carl A. Hankey.

Mr. Hankey was a member of Hanover's 1927 graduate class. He played basketball and was captain of the football team. He entered West Chester in 1927, where he played on two State Championship teams. After graduation in 1931, he returned to teach at his alma mater. He was head football coach when the 1944 team won the Eastern Conference title. He became guidance counselor in 1959 and was selected as assistant principal in 1968.

His success as a teacher, coach, and counselor can be summed up in his own words, "It has been a privilege and a pleasure to work with the greatest kids in the world — the kids from Hanover." Thank-you, Mr. Hankey, for making the days at Hanover just a little more enjoyable for everyone.

J. BURTON STEIN

In June of 1930 Mr. Stein graduated from the Hanover Memorial High School and in September of the same year he entered Millersville State College as one of the first members of the Industrial Arts Course. He graduated from there in May 1934 with a B.S. Degree. In September of 1934, he began teaching in the township, at Lyndwood, and remained in the District for 39 years.

During his stay at Hanover, Mr. Stein also acquired an M.A. Degree from New York University in 1937 by attending evening classes and on week-ends. In 1944 he was appointed instructor and later Administrator of the Penn. State Evening School, a position he held for a period of 14 years.

Thank-you, Mr. Stein, for sharing with our students, your vast amount of knowledge in drafting. We hope your future years will be happy ones.

CLASS HISTORY

ASHLEY-SUGAR NOTCH

Ashley-Sugar Notch — Class History 9, 10th

Freshmen rockets started their first year of high school with great enthusiasm. 1970 was to be the Ashley Centennial year and a lot of time and effort was spent in its preparation. Ask lucky Dorcas Bray who was picked Centennial queen, and Eddie Pucylowski who's house was used as a dressing room. John Prezlowki also had his share in good fortune when he received an art award for best free hand drawing. The majorettes entertained in the mud while Theresa Domanski was recovering from the shock of her electric guitar on the wet platform.

Besides the Centennial being a memorable part of our freshman year not one of the French I students will ever forget the twosome of Pat McManus and Nona Zdnowicz with their famtus iazbage soup recipe. As for science, Charles Morrissey will go down in this history as being the Champion Glass Tube Bender. With the close of the year came the last annual school picnic.

Sophomore year brought new classes and new experiences for the Rockets. English that year was all literature, but grammer was introduced when Maureen O'Hara recited Brutus' speech with a Southern accent. Because they loved Ivanhoe so much, the boys started their own Wamba and Guith fan club headed by Bill Geiser

and John Witkowski. With the coming of Christmas the imaginative sophomores transferred the traditional Christmas Carol into a dedication to their ever loving Algebra teacher Mr. West. The famous chorus "NoAl, NoAl, born is the King of Algebra" Could be heard echoing through the halls. As an act of revenge for turning George Washington's picture up side down on April Fool's Day, the sophomores suffered when they looked in their desks and found that their books and other things had been strewn about. As the search for possessions went on everyone laughed when they discovered Joan Stempins' gym shorts hanging on the flag pole, that is, everyone but Joan.

Brian Spangenberg was runner up to Mike Kordek in the Chess Championship and also received an N.E.D.T. award along with Ed Polons for scoring in the 90 percentile.

If you weren't in the band, activity period was most likely spent watching antics of the band, especially drummers Kevin Lawson and Scott Edmunds. Inside practices were spent preparing for the final concert of A.S.N. High, which attracted the largest crowd ever.

HANOVER TWP.

Freshmen & Sophomores Hanover

In our Freshman year, like panthers on prey we stealthily pounced into position as leaders of the school and began the conquest of marking our footsteps while building the foundation of our high school years. We selected Michael Mushalla as President of the Student Council. With the cooperation of the student body, the response to the candy sales was overwhelming and really helped launch a successful Sno-Ball Dance. The Honor Society got its start by electing new officers for the current year, chosen to fill the vacancies were Marcia Hrichison, Pres; Cindy Kerestes, Vice-Pres; Theresa Thomas, Secretary, and Mary Ann Woss as Treasurer. All members participated and produced one of the greatest Candy-sale campaigns ever and were able to provide for and sponsor the best and last Honor Society Picnic. Chosen to represent our school as cheerleaders were Marcia Hrichison and Teresa Kempinski. The majorettes chosen were Helene Susko and Cheryl Farris. Alas, the year came to a close with everyone eager, ready, and waiting for the HIGH SCHOOL.

Whether the High School was ever ready for the Class of '73 and what it had in store for it, or not, we'll never know. As the

opening highlight of the year we attended the Bloomsburg Fair. Our first recognition came with the nomination of class officers. The results of a rather spontaneous campaign were due to Peter Halesey, Pres.; Tom Slavinski, V-P; Randy Carlo, Sec.; and Mark Roman, Treas. This year under the supervision of Mrs. Zurinski, we successfully sponsored a dance and appropriated enough funds to sponsor a trip. However, we held a "Sophomore Fun Day" instead; which turned out to be an indoor picnic due to the rain. Yet, those of us who attended enjoyed ourselves. Ask Pete — he walked off with all the extra watermelons!!!

During this year Hanover copped sole posession of the Wyoming Valley Wrestling Crown and also became District Champs. With the coming of the merger, this marked the close of the Hanover Township District. However, our previous years were deeply imbedded in the sand of our minds. But, unlike other imprints, our precious memories and achievements will never be washed away.

HANOVER AREA

The 1971-72 school term marked the first year of Hanover Area's merger. As we look back we realized it would be quite a challenge. However, the students got together with very few rivalries, and soon we became a "United Nation". We opened the school year with our officers: Pete Halesey, Pres.; Randy Carlo, Vice-Pres.; Marianne Krulewski, Treas.; Nona Zdanowicz, Secretary. This was the year that Mr. Fromel became Jr. Class Advisor and Mr. Zelinka took over the yearbook. The Juniors successfully sponsored the Sweetheart Dance and held the Prom at the Treadway Inn. Chosen as cheerleaders for the current year were Barb Szumowski and Nina Zapotok. We also had a tri-champ in wrestling this year. With the close of the year the Jrs. deeply felt the nearing end of school life. Little did we know what awaited us that summer.

We finally made the top step of the ladder and entered our senior year. We began our school term a bit later, but were still able to have our trip to Bloomsburg. Our class officers were Pete Halesy, Pres.; Randy Carlo, Vice-Pres.; Tom Slavinski, Treas.; Janet Drozda, Sec. We felt the end of the year by mid-term, when we ordered our announcements, filled our diploma applications, and were measured for caps and gowns.

Hanover Area held an important concert featuring "Tom Slick and the Converted Thunderbolt Greaseslappers" sponsored by the Yearbook Staff. Hanover had one of its best years ever for sports, the wrestling, basketball, football, and golf. Chosen as King and Queen of the Prom were Steve Antonik and Betsy Yakovonis.

Now with the closing of the school year, we all realize the true value of friendship with faculty members as well as students. We also recognize the fact that with the departure on Graduation Day, many of us who were once thought inseparable will part our separate ways through life's fantastic journey and may never again be united as we once were. It was a long twelve years, but they will long be remembered "til the end of our lives". We all had a great time which coincided with the work and study involved with school. At times we wish we could remain at high school forever, but we are sure glad that we are leaving. So we wish good luck to the Class of '73 !!

The Hawkeyes, in defeating the Warriors of Wyoming Area 14-13, upped the interdivision mark to nine wins for the "B" teams to eight for the supposedly stronger "A" schools. The victors hiked their season mark to 5-4, while Wyoming Area fell to 4-4.

Tom Slavinski ended a superb high-school wrestling career this year. This 155 lb. senior had many achievements including a District II championship, a runner-up in the Regional Tournament and a trip to the State Tournament with a 19-4 record, he truly proved that he is one of Hanover's best!

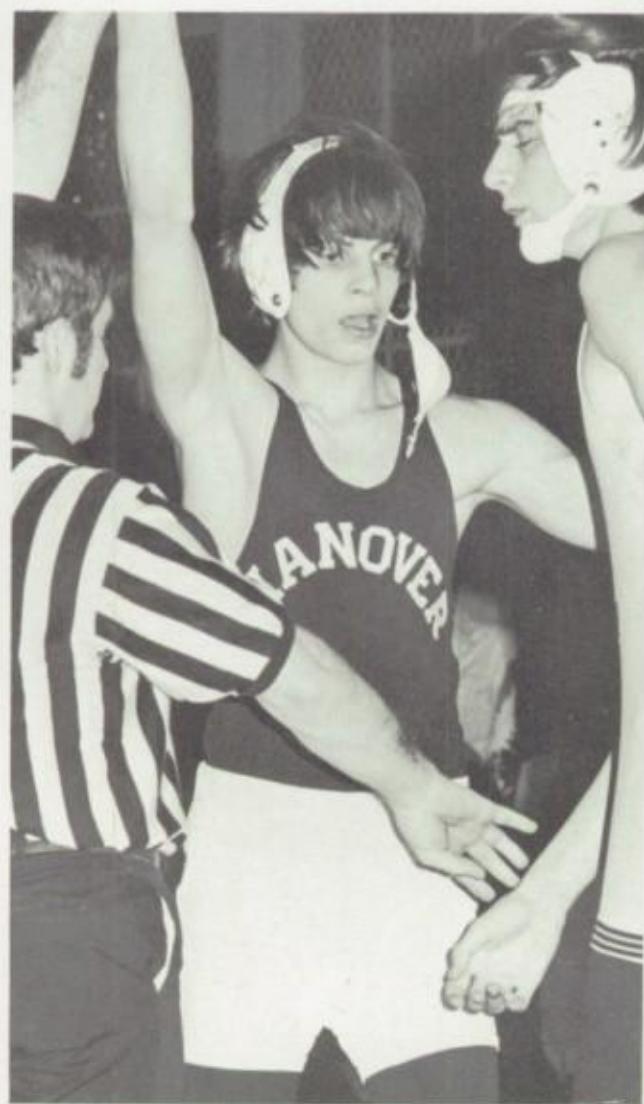

Len Kaminski our "sophomore sensation" had many outstanding achievements this year. They include the championship at 132 lbs. in the annual Easton Tournament, District II championships at 126 lbs., which led him to the Regionals, where he was runner-up. Len has ended the season with a fantastic record of 21-3. What a varsity beginning for a great wrestler.

HAWKS' BASKETBALL '73

Pete Chapasko culminated an outstanding high school basketball career by being named to three All Scholastic teams. This 5'-9" guard was the co-captain of the 1973 Hawkeye Squad. He led the team in scoring and shooting percentage and was the 6th best scorer in the league. Pete has scored over 900 career points but his shooting is not his only asset. His ball handling ability broke many pressure defenses. Both on & off the court he made a valuable contribution to Hanover Area's outstanding basketball season.

SENIOR PLAY

On May 3rd & 4th, the seniors of Hanover Area High School presented a swinging new musical comedy entitled "Swingin' High". It was created by Mary Lacey, Paul Weirick, and Al Polhamus. "Swingin' High" is a modern story that tells what happened when a formidable, new principal takes over the school. He imposes "Cruel Days" on both teachers and students with his program of "all work and no play" designed to produce scientists. But a little rebellious intrigue coupled with romance brings about a happy and hilarious solution.

Students blame Connie for "Hard Times" at Hanover.

Miss Cook tries to comfort students.

Diana tells Bill, played by Tom Slavinski, her plan to save the school.

Bill finds the "true" Connie very PLEASING!!!

Faculty, led by Mr. Blum, concerned over Students reaction to "McDuff Plan".

After minor explosion McDuff, played by Barry Bonk, transforms into "Daddy Cool".

Sen. Whifwhaf, played by Pete Chapasko, commend McDuff for his fine work.

Students are delighted with "Polly Doodle Day".

Play Couldn't go on without the help of the orchestra.

AGNES

Summer of '72

On June 23, 1972, during the early hours of the morning, many residents of Wyoming Valley were awakened by the wailing of police and fire sirens. Thousands of residents heard the memorable and shocking words, "Prepare to evacuate your homes!"

The people of Breslau, Lyndwood, Iona Place, and the lower section of Lee Park were informed that they might seek shelter in either the High School or Lee Park Elementary buildings.

With a feeling of confusion, many people evacuated to the high school. Some had just graduated a few days before the flood, and none of these had ever thought that they would be returning to their alma mater under such circumstances.

For a while, Hanover High became something more than a school; it became home for more than 350 flood victims.

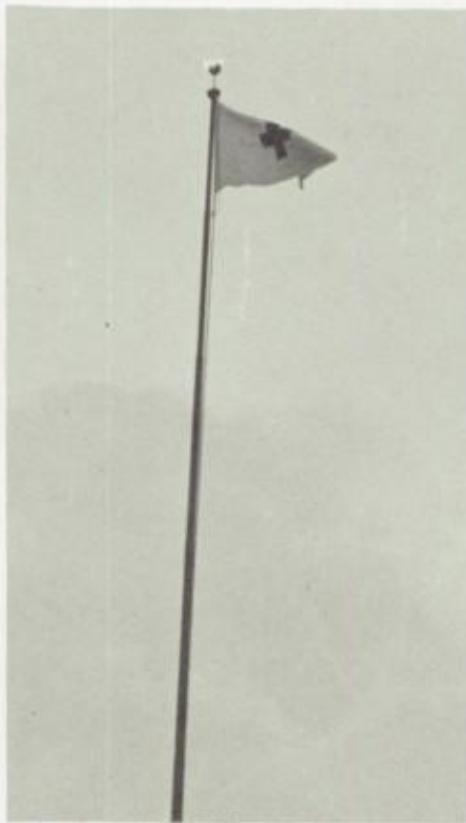

The following is a pictorial description of how Hanover Area High School answered the cry for help!

The Hanover Hilton

Home away from home for many "Agnes" refugees.

In a time of need the Red Cross showed its true colors.

Our young people did not seem to mind the congested sleeping quarters.

Just one of the many families which sought refuge and shelter at the "Hanover Hilton"!

Volunteers of the Hanover Hilton prepare the "Kitchen" for another hearty meal.

The "Mercy Hospital" of Hanover Area

All residents, young and old alike, were made as comfortable as possible.

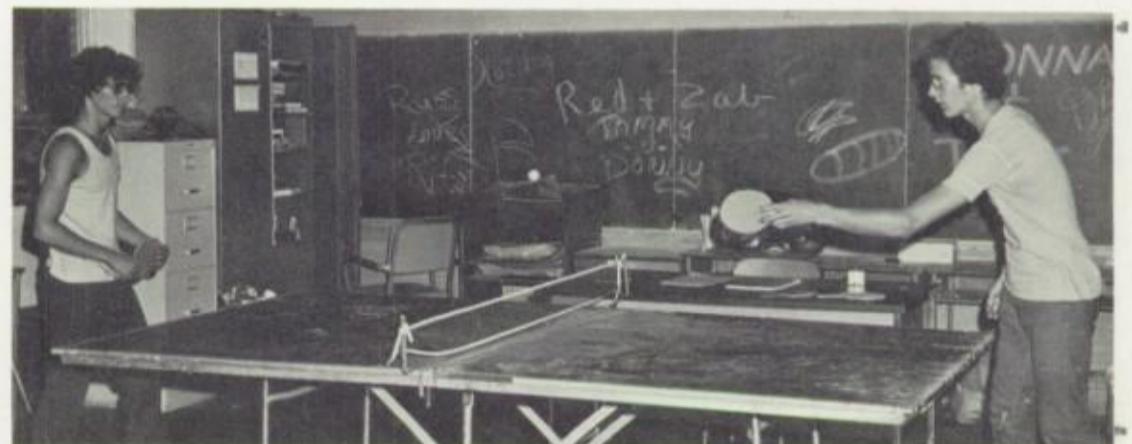

Some of the local "Hilton" residents having a late snack.

Hanover Township firemen taking a much deserved rest.

A few people took time out from their rigorous daily routine for some relaxation.

Volunteers typing up the next day's menu.

We all once were so young and free,
We too once had security.
But as we grew we all found out,
Exactly what life's all about.
We loved and learned and grew up fast,
How suddenly the time had passed.
And close at hand our journey found,
Through school book days still memory bound.
We're here to stand and make a fight,
Our future holds a promise bright.
